This is a BMW M3 GT Individual. Only 350 M3 Gt's ever made. It is British Racing Green with FULL BMW service history. The engine is standard 2990 cc, 24 Valve in line six cylinder, five speed manual gearbox, Briish Racing Green, featuring carbon fibre front and rear bumpers, adjustable double rear spoiler. The interior is Mexico Green Leather and black Alcantra with a Hartge gear knob and alluminium pedel set. The GT can reach its potential top whack of 174 mph. I am only selling this car as I have a baby girl of 4 months old and now looking for a 4 door car. It boasts from all the usall extras and a normal M3, but is definatly different and looks good. It is in good condition and will miss it very much. It is very quick and handles superb. The tyres are all new and first to see will buy. I could go on all day about things but call me on 07793 650846 and I will be happy to answer any questions. Please no time wasters, and I'm aware of all on going scams. Cold hard cash or bankers draft ONLY. The car is advertised locally and reserve the right to end the auction early should the reason be.

Happy bidding - and good LUCK.
