FSH main BMW dealer from new, then Munich Legends for last 2.5 years

This car has been lovingly cared for and maintained regardless of cost. It had a slight mis-fire when cold recently, it's been back to Munich Legends and had a new ECU @ £1000+. I could have not bothered but I have a conscience!!

You won't find a better E36! Fantastic drive, never raced or gone on track. It still had it's original tyres at 30,000 miles so has been driven very carefully!

1999 car so no new high road tax to pay, only £195pa.

I am asking £10,750 without the plate. Plate detail and price on request.
